A diagram illustrating the layout of a single row in a table. The row is divided into four main sections: a small square icon box on the left, a large rectangular area for the product name in the center, a rectangular button on the right, and a text label 'Price' on the far right. The icon box contains a small square with an 'X' inside. The product name area is the largest and is labeled 'Product Name'. The button is labeled 'Button'. The 'Price' label is positioned to the right of the button.
